Re: Nkansah v. United States
Docket No. 18-cv-10230 (KMW) (SLC)

Dear Honorable Judge Wood,

I write on behalf of Cassandra Snyder who was scheduled for a Deposition dated October 21, 2024. Ms. Snyder has had a miscarriage on 9/19/2024 as a result of the stress she has undergone due to the prospective deposition and is currently seeing a mental health specialist Dr. Mary Kay (LCSW) from Clinical Associates (607) 936-1771 (4104). I am not sure regarding her ability to appear for the deposition in the near future. Unfortunately, due to the unforeseeable tragic events we are seeking a long adjournment that is rooted in Ms Snyder mental fitness. Ms. Snyder missed her 10/21 deposition and she is still being treated by Dr. Kay who hasn't provided medical clearance to attend the deposition. This information has been shared with Carly Weinreb Esq who is counsel for the US Attorney's Office. I will keep the court apprised if any change of events allows for an expedient resolution to this matter.

Respectfully submitted,

/S/

Rehan Nazrali Esq
